

# QUICK GUIDE TO UPPER STUNT HIGH TRAIL

Quick Guide  
courtesy of  
County of  
Los Angeles

**DESCRIPTION:** This trail traverses part of the Cold Creek Canyon Preserve and connects to Stunt Rd at either end. The trail follows the north-facing slope, so it stays relatively shady and cool, with flowers blooming later in the summer than in other sunnier areas. From the uphill start, you can head down toward Stunt Ranch and beyond to connect to Lower Stunt High Trail and onward to Calabasas Peak Mwy. Or, head uphill across Stunt Rd. to use Stunt Rd BBT Connector to reach the Backbone Trail up to Saddle Peak or down to Piuma Rd.

**DIRECTIONS:** There is limited parking along the shoulder at the upper trailhead. From PCH, head north on Malibu Canyon Rd to Mulholland Hwy. Turn right (east) onto Mulholland and travel 3.9 mi. to Stunt Rd. Turn right (east) and travel 1.9 mi. to the lower trailhead, or 2.9 mi. to the upper trailhead.
